

## Directions to the CETL Building, Liverpool John Moores University, Primrose Hill, Liverpool L3 2ET

### Driving from the M62

At the traffic lights at the end of the M62 head towards the City Centre. You will now be on Edge Lane. Continue along this road for approximately 3 miles and look out for signs to the tunnels. At the end of Edge Lane get into the right hand lane which will put you onto Hall Lane and take you on the top side of the Liverpool University Hospital. At the next main set of lights go straight across and follow the bend round to the left. Stay on this road heading for the Birkenhead Tunnel. Pass the TGWU building on your left and immediately get into the left hand lane.

At the lights go left and go all the way around the roundabout. After you pass the entrance to the Birkenhead Tunnel take the first left down Dale Street and the first right down Trueman Street. You are now behind the Henry Cotton Campus. Follow the road around into Primrose Hill and the CETL Building is on your left. There is a pay and display car park in front of the building.

### Driving from Chester via the Birkenhead Tunnel

As you leave the Birkenhead Tunnel turn left down Dale St. Take your first right down Trueman St. You are now behind the Henry Cotton Campus. Follow the road around into Primrose Hill and the CETL Building is on your left. There is a pay and display car park in front of the building.

### More parking (indicated with letter 'P' on map above)

The closest car parks are on Fontenoy Street - just over the road from the CETL Building - and on Dale Street, which is the main road from where you turn into Trueman Street (the car park is on the left under the flyover).

### Arriving by train from Lime St. Station

Walk from the front entrance of Lime St. and turn right heading towards the Empire Theatre. Cross over the road and head down William Brown St. passing the Museum and Central Library. At the bottom of the road cross over the pedestrian crossing and head diagonally right. You will see the entrance to the CETL Building to your right.
