

# **Cardiac Risk** *in the* **Young**

## **CRY's Mission**

**Cardiac Risk in the Young aims to reduce the frequency of young sudden cardiac death by working with cardiologists and family doctors to establish good practice and appropriate screening facilities to promote and protect the cardiac health of our young.**

## **CRY's Aims**

- **Support CRY's National Screening Programme**
- **Fund the CRY Centre for Sports Cardiology**
- **Fund the CRY Centre for Cardiac Pathology**
- **Support for young people through CRY's Surgery Supporters Network**
- **Support for families through CRY's Bereavement Support Network**
- **Support medical research into young sudden cardiac death**
- **Raise awareness of the risk of undetected cardiac abnormalities in young people**
