

CRY Patron

Northern Ireland

Gary Longwell

"The Northern Ireland sports community has become acutely aware of Sudden Death Syndrome in the past two years following the tragic and untimely deaths of two top young sports stars - Cormac McAnallen (Tyrone GAA) and John McCall (Irish U19 Rugby). I am delighted to be associated with CRY's campaign as it attempts to raise awareness, support screening programmes and medical research and vitally counsel the families affected by instances of tragic loss."
