

CRY Patron

Ray Wilkins MBE

"I am very pleased to have been asked to become a Patron of CRY. I am aware of young people dying suddenly whilst playing football and taking part in other activities, however, 12 a week is a really shocking total. With my background in football, I hope that I am going to be able to help CRY raise awareness of the conditions that can suddenly kill fit and healthy young people and have some impact on reducing the number of these terrible tragedies."
