

CRY Patron

Sir Steve Redgrave CBE

"I am pleased to be a Patron of CRY having had first hand experience of the impact of such a death. Robert Hayley was my best friend and crew-mate. He was extremely fit and we had just recently as juniors won a senior race together. We had been watching TV. He suddenly stood up and died of what we were told was a cardiac abnormality. He was 17. That memory is always with me. Supporting CRY's work is something I am delighted to be part of."
