

**Cardiac
Risk in the
Young**

Registered Charity No: 1050845

CRY Patron

Ben Brown

Journalist

“Cardiac Risk in the Young has a place in my heart because too many people are being taken from us in the prime of their lives and we must do everything in our power to reduce the number of these tragedies.”

Every week
in the UK
at least **12** apparently
fit and **healthy**
young people **die**
of undiagnosed
heart conditions

Offering **help**
and **support** to
affected families
