

**Cardiac
Risk in the
Young**

Registered Charity No: 1050845

CRY Patron

Bill Neely

Journalist

“Having seen the horror of a young life cut short at the end of a summer run, I’m committed to helping CRY and to raising awareness of a silent killer we can all do more to combat.”

Every week
in the UK
at least **12** apparently
fit and **healthy**
young people **die**
of undiagnosed
heart conditions

Offering **help**
and **support** to
affected families
