## CRY Patron

### Jack Clifford

England rugby union player

*"I'm very honoured to be a patron for the charity CRY - Cardiac Risk in the Young. The work they do is amazing, and so crucial, especially in young athletes. The main reason I have wanted to get involved is after a good friend and team mate from Cobham RFC, Matt Cragg passed away from a heart condition aged only 21, with no warning. As a patron, I would like to help raise awareness of the work CRY does, especially in schools and sports clubs, in screening young people involved in sport. I would like to do anything I can to lessen the chances of young, fit sportspeople, like my friend, dying from an unknown heart condition."*

Every week  
in the UK  
at least **12** apparently  
**fit** and **healthy**  
**young** people **die**  
of undiagnosed  
heart conditions

Offering **help**
