

**Cardiac
Risk in the
Young**

Registered Charity No: 1050845

CRY Patron

James Cracknell OBE

Former British Olympic rower

"I am delighted to have become a patron of CRY to help raise awareness of this condition and the work CRY are doing to combat it."

Undiagnosed cardiac conditions are a genuine risk to sports people across the country and it is essential to make people aware in an attempt to prevent future tragedy."

Every week
in the UK
at least **12** apparently
fit and **healthy**
young people **die**
of undiagnosed
heart conditions

Offering **help**
and **support** to
affected families
