CRY Patron

Jeremy Bates

Former professional tennis player

"It gives me great pleasure to be a Patron of CRY. Cardiomyopathy is a genuine risk to sportsmen and women worldwide and it is essential to create awareness of its silent existence. With my involvement with tennis in the UK I will endeavour to continue the screening of our national players and provide information to prevent future tragedy."

Every week
in the UK
at least **12** apparently
fit and **healthy**
young people **die**
of undiagnosed
heart conditions

Offering **help**
and **support** to
affected families
