

**Cardiac
Risk in the
Young**

Registered Charity No: 1050845

CRY Patron Northern Ireland

Photograph by Presseye

Jonny Evans

Professional football player

"I am pleased to be able to support CRY as a patron. Young people need to look after themselves and understand more about their health. I fully support CRY's campaign for screening and greater awareness of potentially fatal cardiac conditions. My advice is simple - use your head and check your heart."

Every week
in the UK
at least **12** apparently
fit and **healthy**
young people **die**
of undiagnosed
heart conditions

Offering **help**
and **support** to
affected families
