"I chose CRY as my charity of choice for two reasons. Firstly, a close friend's brother recently passed away with cardiac symptoms and secondly I am aware of the work CRY does as I have had my heart checked through the fast track athletes screening service at the CRY Centre for Sports Cardiology. Thank you for the good work you do."

Every week
in the UK
at least **12** apparently
fit and **healthy**
young people **die**
of undiagnosed
heart conditions

Offering **help**
and **support** to
affected families
