

**Cardiac
Risk in the
Young**

Registered Charity No: 1050845

CRY Patron

Sir Clive Woodward OBE

Former England rugby union coach and player

“CRY’s outstanding work leading the field in addressing young sudden cardiac death is to be applauded. The fast-track services they now offer, including funding of coroners’ referrals to the CRY Centre for Expert Cardiac Pathology, are urgently needed – as is their innovative cardiac screening programme, both in the community and sport. I am very pleased to be a Patron and will certainly do what I can to help.”

Every week
in the UK
at least **12** apparently
fit and **healthy**
young people **die**
of undiagnosed
heart conditions

Offering **help**
and **support** to
affected families
